Marelli ECU TOOL folder structure explanation

Here you can see marelli ecu tool folder structure. "IDMONACT" and "img" folders must be in same folder as marelli ecu tool software.

In "IDMONACT" folder you must have folder with your current I/O TERMINAL unit ID. In this folder all your activations are placed.

G - V - SOFTIO - MARELLIECU	TOOL + IDMONACT + 🗸 🔮	Search IDMONACT
Organize 👻 Include in library 👻 Shar	re with 🔻 Burn New folder	:= 🕶 🗔 🔞
🛠 Favorites	Name *	Date modified Typ
E Desktop Downloads	IDMON-BACILA1234	10/30/2013 11:29 AM File

Here you can see in your I/O TERMINAL unit ID folder activation files. OPELECU.bin is marelli ecu tool activation file.

If software does not see activation file it shows error.

Error : IDMON File C:\Users\Andrius\Desktop\IOTOPFIMMECU\SOFTIO\MARELLIECUTOOL\IDMONACT\IDMON-BACILA1234\OPELECU.bin does not exist
